

ANEXO I

AICU: Anti Ice Control Unit.

AIM: Aircraft Interface Module.

ATA: Air Transport Association.

BD: Base de Datos.

CASA: Construcciones Aeronáuticas.

CATS: Computer Aided Test System.

COP: Constraint Optimization Problem

CP: Constraint Programming / Critical Path.

CSP: Constraint Satisfaction Problem

DOM: Design Organisation Manual / Design Originator Memo.

DS: Defence & Security / Data Set / Design Solution.

EADS: European Aeronautic Defence and Space.

EDD: Earliest Due Date first.

ERD: Earliest Realize Date first.

FAL: Final Assembly Line

FIMA: Future International Military Airlifter.

FITS: Functional Integrated Tactical System.

FTC: Fly Test Center.

FTI: Flight Test Installation.

GST: Ground System Test.

GTI: Ground Test Instruccion.

GTR: Ground Test Requirement.

HNC: Hoja de No Conformidad.

JS: Job Shop.

JSSP: Job Shop Scheduling Problem.

KPI: Key Performance Indicator.

LNS: Largest Number of Successors.

LPT: Longest Processing Time first.

MC: Maximum Cardinality.

MD: Maximum Degree.

MRTT: Multi Roll Tanker Transport.

MS: Minimum Slack first.

MTAD: Military Transport Air Division.

SAP: System Application Process.

SI: Special Instruction.

SIRO: Service In Radom Order.

SQNO: Shortest Queue at the Next Operation.

SST: Shortest Setup Time first.

STSA: Short Term Strategic Aircraft.
